Congratulations!

It has just recently come to our attention that Red Brush member, Dale Carpenter, won the NRA sanctioned F- Class National Championships at Oak Ridge, Tenn. Dale Carpenter has been a serious target shooter for quite some time and Co-Chairman of Red Brush's NRA High Power Committee. In three days of rifle prone shooting at ranges of 600 and 1,000 yards, Dale put away the competition by scoring 1,197 points out of a possible 1,200.

Congratulations Dale!

February Meeting:

February 2nd is our annual "Auction Night". Members are to bring their accumulated "shooting junk" that is anything related to our hobby of shooting. It may be guns, parts, ammo, components, accessories, and equipment. Bring it to sell at auction to other members. Don't forget to bring extra money to buy other members "stuff". There will be refreshments provided, three guns for raffle with a special item with the "Bonus prize ticket pack". More details in the February newsletter. Start gathering up those unwanted items now!

Also, there will be some great firearms that will be raffled at this meeting. Be sure and don't miss it. More information next month.

Newsletter News:

Just a note, that more often than not, there is space in the newsletter that the members might use. If you have items for sale or trade, range news, shooting related news or news on the legislative front that our members would benefit from, please contact me.

I normally have the newsletter to the printer by the 15th of the month, so any information or items in before that will make the next month's newsletter.
