Firearms Training:

Guy Minnis' Hard Target Firearms Training Academy will be doing an IDPA Techniques training course on Saturday, 10/21/06, assuming they have enough interested folks sign up.

Please see the Red Brush Website for more information.

Missing Equipment:

Randy Hansen and the rest of the Board of Directors would appreciate hearing from anyone who has information on anyone who has information on who may have "borrowed" two of the Club's weed eaters, one of which was only a couple of months old. Or if you happen to be the person who "borrowed" either of these, we'd sure like them back before the next workday.

Thanks

Group Buy:

If we get together and order 9+ cases of Montana Gold bullets there will be a considerable savings. Please send me an email with the type of bullet that interests you and I will find out the price per case. ritatwedig@aol.com. John Wedig
