GUN OF THE MONTH:

This month's "Gun of the Month" winner will have his/her choice of the Taurus 1911B "Hot Rod" with Heine sights and a lot of accuracy add-ins (blued version), or he/she made decide to go with the EAA Witness 22/45. My experience with the Witnesses is they are tack drivers but too heavy a gun for carry. It's all metal, blued and it comes with the 22LR conversion. Which ever they choose, for the small investment, they will walk away with a great firearm

The GOM may be viewed at " Dirty Harry's Gunsmithing & Knives " located at 2916 Covert Ave. in Evansville. Give Harry a call @ 401-0226 if you have suggestions for future GOM's.

Tecumseh Kids Day Thank You!

A big "Thank You" to the guys who helped coach the Tecumseh Kids on Saturday, March 3rd. The weather was very cold, the wind was terrible, and it snowed off and on all morning. However, the students were having a great time! This marked the 22nd annual event.

Don Bollinger brought coffee, hot chocolate, and donuts for the members and students. Bob Simonsen brought his personal clay bird thrower. Bob Adams was in charge of the rifle training, Charlie Hallam was leading the pistol group, and Harold McClary handled the shotgun area. Gene Flick was the official photographer.
