## GUN OF THE MONTH:

This month's "Gun of the Month" is another H & R 38/55, natural wood stock. Varmint or cowboy shooters should love it.

The GOM may be viewed at "Dirty Harry's Gunsmithing & Knives" located at 2916 Covert Ave. in Evansville. Give Harry a call @ 401-0226 if you have suggestions for future GOM's.

## June Work Day Info from Pat Alvey:

The emphasis for the June workday needs to be getting the range cleaned up and looking good for the Youth Day coming up shortly. This is a great opportunity to show our club off and possibly attract new members and future members. I would like to have the place really looking good.

We need a large turnout for this workday so give us the most play you can.

We are working on the details, but there will be plenty of work for all that will come out.

---

## Work Day Credit:

General note. If the workday gets rained out, the next weekend will be the makeup date. Workdays start at 8AM, so generally all work can be completed before any scheduled matches will start. All workdays performed must be printed in the newsletter in order to receive credit.

Thanks to: Jeff Webber, Rob Baxter, Pat Alvey, Mike Maurer, Gerald Hardin, Kevin Brooks, Bryan Hayden, Jeff Webber, and Charlie Hallam for work days in May!
