**Notice:** There may be construction work performed at the range within a few weeks. The 500 yard target impact area is scheduled to be built up much higher by an outside contractor. When this happens, the rifle ranges and pistol Bay #1 will be **closed** to shooting for at least a week during week days. The pistol bays #2, 3, and 4 should be ok, but if rounds are landing near the contractors, they too must be closed down. This improvement is necessary to continue our rifle program and meet lease agreements. Details will be provided at the meeting and on the web site.

## Gun Shows:

Southern Indiana Gun Collectors – Boonville 4 H Center – November 3 & 4  
World Class Gun Shows – State Fairgrounds – November 2, 3 & 4

[Please confirm all dates of gun shows for yourself, they do change or get cancelled.]

### Election of Board members.

November Meeting is the Board of Director's Election night. There will be at least seven Board positions up for election. Please contact any officer prior to the November meeting to have your name entered on the printed ballot if you are interested in running for the Board of Directors. To nominate someone, please contact the officers.

### Membership Renewal:

Membership renewal notices have been mailed out. Dues must be paid by the end of the December meeting. Dues not paid by the close of the December meeting will result in the member having to reapply for membership and to pay the initiation fee. This is in addition to any applicable work day fine for the previous year. Do not forget to **return your renewal form** and proof of NRA membership.

### Don't Burn the Barrels!

Having now acquired some burn barrels (thanks to Jeremy Parker), we are now begging everyone **NOT** to burn them. For those who haven't been outdoors lately, it's extremely dry, and there is a burn-ban in effect in parts of the area. **So, PLEASE, do NOT burn the barrels until the drought conditions are over.**

#### Also Please Lock the Gate After You Drive Through! Arriving or Leaving

The board has asked that unless a formal shooting event is underway, please lock the gate as you enter and leave since we seem to have an increasing number of strangers just wandering in while the gate is open. For all we know, they are the ones not locking the gate on the way out since they don't know the lock combination. And surely none of you would be guilty of being the last one out and not locking up, right?
