IDPA	March 1	reg. 10:30 AM	Scott Hurt		No
			Kevin Elpers	479-3555	
Sub-Gun	March 16	12:00 Noon	Mike Maurer	490-0949	No
Range Maintenance	March 8	8:00 AM	Pat Alvey		Yes

Work Day Credit:

Thanks to Tom Hare, Jim Rittenhouse, and Jeff Webber for cleaning up the wind damaged debris.

First workday this year will be March 8th.

Gun Shows:

March 14, 15, 16 Indy 1500 Gun Show - World Class Gun Shows, State Fairgrounds – Indianapolis
March 29, 30 Evansville Gun & Knife Show – Vanderburgh 4 H Center

[Please confirm all dates of gun shows for yourself, they do change or get cancelled.]

President's Corner:

The annual "Auction Night" was a real success! Many items were auctioned and sold in a reasonable amount of time. The food was great, tons of items were brought to be auctioned, and the weather didn't keep folks away. Thanks to those members who went the extra mile and did a lot of work to make the night a pleasure.

I'm sure members who have visited the range lately are aware of the wind damage to the 375 yard rifle range covered structure. We are in progress of cleaning it up and planning on a rebuild as soon as weather permits.

NRA Annual Meeting Volunteers Needed

The NRA Annual Meeting will be held in Louisville, KY this year from May 14-18. As always the NRA depends on area gun clubs to help out with volunteers in several capacities. They need about 275 volunteers altogether. Information regarding volunteer duties can be found on the Red Brush Website.

Please Check the Red Brush Website for Added / Timely Information www.redbrush.org

Annual Tecumseh Kid's Day March 1, 2008

The annual Tecumseh Kids day at the range will be Saturday, March 1st this year. There will be approximately 25 students arriving at the range around 8:00 AM to get the "hands on" shooting instructions from Red Brush members. Boys and girls from Tecumseh junior high school will have just completed their Hunter Ed. class from the Department of Natural Resources. They are coming to Red Brush to do live firing with .22 rifles, pistols, and shotguns at paper and clay targets. We need a minimum of 25 Red Brush members to act as assistants to help each student with the rules of gun safety and gun handling. Volunteers will need to bring .22 rifles and pistols for the students to use. It never hurts to have extra rifles and pistols, so please bring several. Ammo should be provided by the DNR, but bring a little extra just in case. I would like for you to call or email me if you are interested in helping out. This would help in knowing that we have enough volunteers. This is a **Workday Credit!** Thanks, Mike Maurer, President

Red Brush Email Emergency Alert List

Over the last couple of years, the Board has seen the utility of being able to do mass emailing to our membership. We try not to abuse the privilege of having access to some of our members email addresses. Over the last 2 years, I think we've sent out 5 emails, but each had to do with the unexpected closing of the range or cancellation of the membership meeting due to having no power at the clubhouse. When things move this fast, there is no time for an [expensive] notification by U.S. mail, and we can't phone 600 members with this info. Nor do we want to risk your wrath when some of you drive up to an hour or two to get to the range and find it closed.

The problem is that we only have the email addresses of those who have chosen to have the club newsletter delivered electronically (about a third of our membership). **For those who still want a hardcopy newsletter, but who want to be on our urgent notification email list, please go to www.redbrush.org for more information.** Make sure you send this from the address where you want to receive any urgent emails (or send it once from work and once from home if you want alerts delivered to both addresses). **Again, there is no need to do this if you are already on our electronic newsletter list.**
