Board Meeting June 5th - 7:00 PM

Club Meeting June 5th - 7:30 PM

GUN OF THE MONTH:

The “Gun of the Month” for June is a carry over, the Taurus PT 1911 stainless with Heinie sights. Harry Stoll owns one of these and he says it's a great shooting gun, with a lot of refinements. The only thing needed to dress it up is a nice set of wood grips, per Harry.

The tall grass hid the big rocks and concrete that someone took downrange to shoot. The remaining lumps disabled the mower, which had to be taken to the shop for repair. The grass continues to get taller because of that. **DO NOT SHOOT CONCRETE or your membership will be terminated!!!**

“Red Brush / NRA Youth Fest ‘08” will be June 14th

This year the date will be Saturday June 14th. Volunteers are needed this year as we could have close to 200 Kids. As you can see this is a huge undertaking and requires all the help we can get. Volunteers will receive a workday credit. More information will be in next month’s newsletter and on the Red Brush website or email Charlie Hallam at crhscoop@wowway.com.

Appleseed Shoot June 21/22

Red Brush Rifle Range will be hosting a National Appleseed Shoot during the weekend of June 21/22. Please be aware that the 375 yard rifle bay will be closed both days. Also, depending on attendance, one or more of the pistol bays may be closed.

The Appleseed National Shoot is two days of instruction in basic rifle marksmanship. During the training attendees will learn critical shooting skills including proper standing/sitting/prone rifle positions, the six steps to making the shot, how to "read" a target, and sight adjustments. The event is open to all rifle types; any safe, semi-automatic or bolt rifle from .22 to .32 (8mm) caliber which can be fired accurately from the shoulder is welcome. The pre-registration fee is \$45 for one day and \$70 for both Saturday/Sunday. The corresponding "pay at the door" fee will be \$50 and \$80, respectively. Active military and youth under 21 shoot for free!

As a final note, participation in this event qualifies as the needed marksmanship activity to obtain government surplus M1 Garands, M1 Carbines and other rifles through the mail from the Civilian Marksmanship Program (www.odcmp.com). An Indiana Notary Public will be on-site to notarize the needed forms free of charge!

To pre-register for these events or to find out more information on the Appleseed program, please visit www.appleseedinfo.org or contact Red Brush member Frank Findley at frank@libertyassociate.com
