## Liability Release Due with Renewal:

The Board members are getting a lot of questions about the liability release in the renewal packet, so we're sending out this email to clarify the issue. On the "Insert date(s)" blank, just fill in "2009" as the event. Add your signature to the bottom, no witness is necessary.

Unfortunately, we didn't proof-read this release close enough, so it's somewhat confusing since it was originally intended as a liability release for a single event. It should have stated it was for an individual member for the entire year of 2009. As noted above, just fill in your name, "2009" for the activity date, and sign and date. Sorry about the confusion.

Please check the Red Brush Website for Added / Timely Information [www.redbrush.org](http://www.redbrush.org)
