### More Auction Info:

Members, the February meeting is the club's "Annual Auction"!!! We have been doing this for a great many years and it's always been a lot of fun. Members are asked to bring gun related items to be auctioned. The best items are always the low cost things like partial boxes of bullets, partial cans of powder, scope rings and mounts, holsters, slings, stocks, gun parts and so on. High dollar items do get sold, but not at very high prices. Gather up your stuff, put your name and a minimum dollar amount (optional) on every item so we know WHO to pay. If there is no minimum dollar amount on the item, it will sell for the top bid.

The club will furnish some snacks like hot dogs and potato chips and soft drinks. We will have four very nice guns for the usual gun raffle. Tickets will be sold individually and as a special "bonus pack" of four that will include a special gun. There may be a "half pot" drawing presented also. I guess you will need to bring EXTRA cash to spend on auction items, gun raffle, and half pot!

The **doors will be open at 6:00 PM** to allow members to set up their auction items. There will be a 15-minute business meeting to induct new members and then go right into the fun stuff.

### Membership Renewal Information:

Members who have not completed their renewal and paid their dues are in arrears and must rejoin the club.

**Late renewals (after December 31st) will not be accepted or processed.**
