From Jeff Webber, Grounds Chairman:

I would like to ask for any ideas on a new design for the steel knock down plates on the pistol bays. I need a design that would not ricochet.

Also, I would like thank the membership for excellent turn out and participation in the work days, I really appreciate their willingness to help and all the hard work they put in.

And for those who have been out there working with me, I apologize for being such a slave driver. :)

Youth Fest '09" will be June 20th (range will be closed 19th for setup)

This year the date will be Friday June 19 and Saturday June 20. Volunteers are needed this year as we could have close to 200 Kids. As you can see this is a huge undertaking and requires all the help we can get. Volunteers will receive a workday credit. The youth fest will have 2 guest speakers Congressman Brad Ellsworth and Jim Tomes (2nd Amendment Patriots)!
