MEMBERSHIP DUES & WORK DAY OBLIGATION UPDATE

Fellow club members, on March 18, 2009, at a Special Board of Directors meeting, the BOD revisited the Club's fiscal outlook. The Board compared recent expenditures for the acquisition of the range property (\$50,000 plus), much needed berm work (\$41,000 plus) and our yearly operating expenses (approximately \$32,000) to the Club's current financial standing. After much discussion, deliberation and many modified motions the following was decided:

- Yearly dues were set at \$70 per year for those under age 65
- Yearly dues were set at \$50 per year for those over age 65.
- The **WORKDAY EXEMPTION** was raised to age **65**.

The dues increase will be reflected on the 2010 renewal. The workday requirement will take effect in January 2010 with any workday fines payable with the 2011 membership renewal.

Board of Directors Election will be held in November, anyone interested in running for the Board of Directors should contact one of the officers above.
