## FROM THE RANGE OFFICER – FRANK FINDLEY

### AIR CONDITIONING AND DRINKING WATER AVAILABLE IN THE MEMBERS ROOM

With the outdoor temperatures increasing, heat exhaustion returns as a threat. Remember that the members' room is air conditioned and water coolers with drinking water is provided there. If you should find that the water is running low, please let an officer know so that we can get the coolers resupplied.

### FUN SAFETY QUIZ AVAILABLE ON REDBRUSH.ORG

This is a reminder of the safety quiz available on the Red Brush website. It is more like a fun game than a test. It puts you in various safety situations (some very unusual) and asks you to choose the best action to take. All the events are based on actual occurrences at various ranges, including a few from Red Brush! To access the safety quiz:

## FROM THE GROUNDS CHAIRMAN – JEFF WEBBER

I want to thank everyone who came out to help with the workday.

We put new steel gongs out on the Rifle bay (please don't shoot em 😊)

We also painted everything that didn't move and installed much needed drainage to Bay 4. There is still more work to do on this project.

Special thanks to Todd Shelton for bringing out his backhoe and Tom Ranson for sticking it out with me to finish installing the drain pipe. We were out there till 6:30 and I couldn't have finished it without his help.

For May, we will be in full weedeater season. Bring em if you got them. I also need some chainsaws (several please).

I am still seeking someone to remove the High Speed trailer. If you can help please contact me.

See you at the range.

The following Red Brush members earned their 2019 Workday credit in March. Please thank them for their time and dedication to the range.

## LOST AND FOUND

Members continue to leave items behind at the range, and other members are really great about finding and reporting them to me.

Please notify me if you lose or leave something valuable at the range. The same goes for finding other member's items. Unfortunately, I get both calls (finding and losing), but very few that connect.

If you take possession of found property, it must be reported within 24 hours.
